

# Marsh Risk Consulting Services

## Risk Management and Training Solutions

The Risk Consulting Practice of Marsh Ireland Ltd assists clients to identify and deal with the risks that they face in their daily business activities. Our team of dedicated risk consultants liaise with their global risk consulting colleagues to bring the latest thinking and best practice solutions to our clients.

### Key Services

The Risk Consulting services provided by Marsh can have a direct, positive effect on your bottom line and can bring significant, measurable savings to your organisation. Services include:

- Absence Risk Management
- Accident Reporting
- Business Continuity Management
- Business Risk Audits
- Claims Management
- Construction Safety
- Ergonomic Assessment
- Fleet Risk Management
- Health & Safety
- Healthcare Risk Consulting
- Hotel Risk Management
- Noise Management
- Property Loss Control

### Risk Training

At Marsh we believe that training is an essential part of any effective Risk Management strategy. By training staff to identify, assess and control risk, an organisation is better able to manage threats and so meet its objectives.

We offer a range of bespoke training solutions delivered by practising consultants from Ireland and abroad. Training can be provided either on its own or as part of a client's integrated solution to risk issues.

...a direct, positive effect on your bottom line.
